Help Needed (What is needed of the GACTE board to be able to accomplish the objectives?): GACTE Board members are needed to assist in the voting process by signing up to oversee the voting booth during the times listed above as your schedule allows and ensuring their division nominating committee member is volunteering as well.	
This report should be completed and e-mailed to all members of the board prior to each meeting. Please attach a copy of the division meeting minutes and detail items pertaining to the time frame of this report. Please make sure the Secretary has an electronic copy of your report to include in our files. According to our bylaws each Division is also required to provide the board with the following: Board of Directors list, Bylaws, Financial Statement, and member names to serve on GACTE committees by September 15.
